HSSC Community Partners Program

Creating a Strategic Relationship with Your Business in Support of the Historical Society of Santuit & Cotuit

Founded in 1955, the Historical Society of Santuit & Cotuit (HSSC) is a 501(c)3 non-profit organization whose mission is to acquire, preserve, interpret and exhibit collections of historical interest to the villages of Cotuit and Santuit, and to provide educational and cultural services to its membership, visitors and the community.

The Historical Society of Santuit & Cotuit (HSSC) is the primary resource for the promotion and preservation of history in Cotuit. We hold a unique place of leadership in the community and enjoy longstanding relationships with local businesses, regional institutions and community sponsors who also are invested in helping preserve Cotuit's heritage for future generations. We welcome new and renewed partnerships with those who share our same vision, values and spirit of community involvement.
